

## Phonological Awareness

For your pre-, early, or struggling reader

Join us for a speech-language pathologist led session targeting your 4-6 year old's phonemic awareness skills. We will teach key phonemic awareness skills through movement and visualization such as:

- Blending
- Rhyming
- Segmentation
- Letter/sound recognition

\$400 for the entire 8 week program (30-minute sessions)

Email us at [info@thespeechspacedc.com](mailto:info@thespeechspacedc.com) to reserve your spot!
