

Virtual Kids Book Club

Combine excitement with learning by enrolling in our virtual kids book club!

- Grouped by age, from 3-10 years old
- Engage with peers during the session
- Led by play-focused pediatric speech language pathologists
- \$320 for entire 8 week program (30-minute sessions)

Sign-up by emailing info@thespeechspacedc.com

Logistics & Set up

Each week, we will choose a new book through a digital library, which we will share with you for free!

The day of the meeting, you will receive a link to connect. Email us info@thespeechspacedc.com to reserve your spot!

Skills we focus on during the book club:

- Vocabulary development
- Pragmatic & Social language skills
- Sequential concepts
- Auditory and reading comprehension
- Predictions
- Inferencing
- Problem solving
- Abstract thinking
